EXPERIENCE

Remote Inning, Remote — Django Developer

JAN 2020 - APR 2020

Worked with the **Wagtail CMS**, **DRF**(rest framework), **django-cookiecutter**, **Multitenant** application.

MAY 2021 - PRESENT

Working on a Submission Management Software(an open source project 'hypha'), Fixing some of its issues and making it easier to use.

Eoraa, Remote — Python/Django Developer

APR 2020 - PRESENT

Build the backend for the projects like Key-door management project, Contactless Menu, Travel Guide project and etc by using **DRF**, **Celery**, **PostgreSQL**, **RabbitMQ**, **AWS**, **nginx**, and many other tools and tech.

Simfoni, Remote — Software Developer

FEB 2021 - MAY 2021

Worked on a Procurement software as a full-stack developer with their team, added multiple features and APIs by using technologies **Django**, **jquery**, **Celery**, **PostgreSQL** and with tools like **Git**, and etc.

PROJECTS

[Backend APIs](#) — Sample for backend APIs(DRF)

Build general APIs with **Django rest framework** by using **Class based generic views** with **JWT Token**, **SendGrid**(to send activation link), **permissions**, and etc.

[Social Network Chat app](#) — Sample for Django(templates)

A simple public chat app with multiple features like account activation via mail, add, edit, delete the message with proper permissions.

React js Projects — Simple and small frontend projects

The bookstore, calculator, simple login/register page and api integration are some of the projects that help to understand the basics of Reactjs.

SKILLS

Backend - Python, Django, Go

Frontend - HTML, CSS, JS, React, Jinja templates

Devops - Linux, Git, AWS, Nginx, Heroku, Docker

Database - PostgreSQL, MySQL, Redis

Others - Wagtail CMS, Django-oscar, Celery, Rabbitmq, Documentation, and etc.

Open Source Contributions

Google Summer of Code

Implemented Redis as a graph datastore for hydrus([Hydra Ecosystem](#)) with **Python**, and also created documentation.

Python Kivy

Worked on its android applications and fixed a few small bugs.

Others: Small contributions to coronasafe-care, citus-data, fossasia, and etc.

EDUCATION

SMVDU, Katra - B.tech
